

KEY INFORMATION DOCUMENT – CLIPPER PAYE

The Key Information Document provides transparency around how you are paid by the employment business (recruitment agency) you are planning on engaging with. It will give you more immediate access to key pay related information before agreeing terms with the employment business and a clear idea of how any fees and deductions will affect your pay.

CLIPPER PAYE

Clipper Contracting Group employ freelance workers that complete several different assignments at numerous locations. Despite this, continuous employment is maintained as are statutory employment rights. As the employer, Clipper Contracting Group will recover the employment costs (see below) from the contract sum received from the employment business (recruitment agency). What is left is the worker's taxable pay.
